

Grading

The grading structure used at Eamac follows the coloured belt system. Gradings are not held at set time intervals but are set up to suit the eligibility of the individual student

At Eamac we have never graded any student that we have taught. All gradings are conducted by an instructor that has had no input into the students' training

In most cases this would be via invitation to an instructor from other areas.

Red (White Tab)		2nd Dan-Nidan	
White		3rd Dan-Sandan	
Yellow		4th Dan-Yondan	
Orange(Juniors)		5th Dan-Godan
